The above site was inspected by the competent and authorized officials of this Department. It was found that the site is suitable for the proposed construction as per KMBR/KPBR

The Fire Plan drawings were scrutinized and compared with the Checklist (Form No.E-1) and Prima Facie found to be in order. The applicant shall comply with all the fire safety arrangements as continued in the filled up Checklist, copy of which is attached to this clearance letter without any deviation. In case of some deviation to be made, the same shall be intimated to the competent authorities of the Stake holder departments including this Department and deposit necessary fees etc. as per rules to obtain further clearance

On completion of construction of the building, the applicant shall fill the Checklist cum application (Form No. ) again and also prepare a fire plan drawing and submit following the due procedure. On receiving the plan and the checklist cum application duly filled the authorized and competent officials of this department will inspect and verify the arrangements made as per the filled up checklist to consider issuance of Certificate of Approval from this Department.

This clearance is limited to the Fire Safety Measures/Arrangements for the proposed building. The fire safety clearance for the site is issued for facilitating the construction of the proposed building.

The validity of this No Objection Certificate is only for 3 years from the date of issue.
